Carolle is a great English teacher. For the past month, she has made every lesson fun and interesting, and she always adapts to what I need. Thanks to her help, I already feel more confident with my English. I highly recommend her!

Carolle a été mon professeur pendant presque une année entière. C'est un excellent professeur que je recommande. Elle a su adapter les cours à mon niveau, repérer mes erreurs récurrentes, mais toujours avec bienveillance. Je pense avoir bien progressé grâce à elle, particulièrement à l'oral.
